4

5

6

CLAUSE 5 (3c) & (3d) – THE NATIONAL IDENTIFICATION AND REGISTRATION AUTHORITY

- Ensure the data center and entire infrastructure implements internationally recommended cyber security practices both physically and digitally.
- Consider leveraging support from cyber security and data protection professionals the local private sector.

Clause 6 (1) (a) (vi) – BOARD OF MANAGEMENT

Outline high-level requirements of competence and suitability for members who sit on the Board of Management and persons who fill the roles of Data Protection Officers.

CLAUSE 24 (1a), (1b) & (1c) - DISCLOSURE OF IDENTITY INFORMATION

Consider a provision that facilitates licensed private investigators to apply to the court for identity information from NIDS.
